AGENDA

1. Approval of agenda

Messages

- Personalia

Welcome to Noah, PhD student as of December 1st

Welcome to Giovanna, Master student

- Orientation from the institute management

A draft of the staff plan for orientation. Adjustments will come. Questions may be directed at Tommy or Kirstine Hermansen.

- 2 days group event and following MUS

GRUS to be planned in January. Expected to take place together with a two days group seminar in March 2018 (book March 12-13). Planning group; Chris, Heidi, Tommy and a PhD student.

MUS – will take place after GRUS – LSU will make plans.

- Marie Curie Master class candidates?

If you know a high ranked Post Doc from overseas, please let Tommy know (see mail link below).

- Sustainability strategy interest from Danish Agriculture and Food Council

Coming here to hold a seminar with us early January, maybe 4th or 5th.

- Possibility for support to business related events

Chance for funding to all types of business events, to attract the industry/build relation to companies. Deadline January 2nd. (see mail link below). Troels tells we are also welcome to apply later if there is a defined wish.

2. Introduction from Troels to his research projects

Projects from 2017 and 2018

3. Election of SYSTEM member for the Dept. Agroecology Education Committee, and for the MARK/ Foulumgaard coordination group.

Lisbeth was elected.

Coordination group with MARK/ Foulumgaard; lb stays in the group.

4. Recently accepted papers

- Lisbeth: Food waste quantification in primary production – The Nordic countries as a case study. Waste Management 10.1016/j.wasman.2017.10.026.

- Chris; What's Going into the Box? An Inquiry into the Social and Ecological Embeddedness of Large-scale EU and US Box Schemes. International Journal of Sociology of Agriculture and Food <http://www.ijisaf.org/contents/24-1/ostrom2/index.html>.

- Tommy; Cong R-G, Stefaniak I, Madsen B, Dalgaard T, Jensen JD, Nainggolan D, Termansen M (2017) Where to implement local biotech innovations? A framework for multi-scale socio-economic and environmental impact assessment of Green Bio-Refineries. Land Use Policy Volume 68, November 2017, Pages 141-151. <https://doi.org/10.1016/j.landusepol.2017.07.036>.

5. Applications

Important Innovation fond call Feb 22 (Tommy will distribute slides to relevant persons):

Troels – Innovation fond – Methane immersion – after Christmas. Also to MAF.
More Innovation fond proposals will hopefully appear! (to be reported to Tommy).

We have several connections to H2020 EU calls, including:

Martin – Horizon application to the RUR Rural Renaissance Call in February
Anne Grete and Martin – Horizon2020 application regarding animal welfare.

6. AOB

- IFSA conference and PhD course

Chris are a member of the planning committee, and we go for participation with a whole group from SYSTEM.

- Plan for section meetings 2018

Book the following dates for next year's Section meetings; from 10-12 AM: Feb 26, April 19, May 10, Aug 16, Sept 20, Oct 29, Nov 22, Dec 20 (Therese will send out e-calender invitations and book rooms. Let Tommy know if any of the dates are better moved). March 20-21 will be booked for the group seminar and GRUS, alternatively March 12-13.

- Keeping the coffee corner clean

The responsibility of emptying the dish-washer falls on the one who has the bread week. Those not on the bread list are obliged to help.
