

# SPPS PhD Student Conference

## Plant science in a changing world

Copenhagen, 11<sup>th</sup>-14<sup>th</sup> September 2018

The 10<sup>th</sup> Scandinavian Plant Physiology Society PhD Student Conference will be coming soon! This time the meeting will be held on 11<sup>th</sup> – 14<sup>th</sup> September 2018 in Copenhagen, Denmark.

The SPPS PhD Student Conference is a biannual conference organized by and for PhD students. The conference

offers a broad scientific programme with sessions devoted to different aspects of plant science. By bringing researchers of different life and career phases from diverse subfields and countries together, the conference promotes plant science among young scientists.
